Coal Lease  
U-7653

PaciCorp No Longer Sublessee  
Lease Removed From Logical Mining Unit  
Relinquishment Requested

By letter of March 20, 2002, PacifiCorp notified this office that it was no longer the sublessee of Federal coal lease U-7653. PacifiCorp notified Lincoln Reavis, Trustee of the Louisiana D. Brown 1992 Irrevocable Trust, by letter of December 6, 2001, that it was terminating its sublease agreement of Federal coal lease U-7653. This office hereby recognizes the termination of the sublease agreement effective March 20, 2002, the date it was filed. As a result of this action, U-7653 is no longer considered part of the East Mountain Logical Mining Unit (LMU), because its lands are no longer under the control of the LMU operator. [43 CFR § 3480.0-5 (a)(19)].

By letter of September 24, 1999, the Price Field Office of the Bureau of Land Management determined that sealing of the pertinent area complied with the Mineral Leasing Act of 1920, as amended, and that maximum economic recovery of the Federal coal had been achieved for U-7653. Therefore, we are requesting that you, as lessee, submit a relinquishment of Federal coal lease U-7653, so that it may be closed on the records of this office.
